Oh, what a year it was!

This was the scene at
QA on Feb 13, 1994.

.....

Nonew townhouses. No
news science building. No
new cable. (It was quite
a first semester.) No
school for the first week
of classes in January due
to Arctic temperatures.
No school for two days
due to unbelievable sleet
storm that buried the
campus. Our new sci-
ence building named for
the governor? (It was
quite a second semester.)
To say the least, the
1993-1994 year held
surprises no one could
have foretold.

St. Mary's College of Maryland, St. Mary's City, MD 20686

Orientation

The week before classes begin is a time of great transition for the new incoming students. Their parents have gone home, and their college career at St. Mary's has begun. The new students learn about the school while making new friends. And, to say the least, there are some really great parties during those first few heady days before all the work starts.

The traditional Airband celebration was held this year in St. Mary's Hall, and it ended with this romp with everyone on stage at once - performers and audience.

Part of the orientation process is Community Outreach Day, where new students participate in any one of a variety of activities. Here, new students repair a fence at the Godiah Spray Tobacco Plantation in Historic St. Mary's City.

The Office of Student Activities threw this Orientation Bash outside Montgomery Hall, with music provided by a deejay. Student Activities regularly held these types of events all over campus.

Moving in during the August heat is always a chore, but this parent and new student seem to have kept their cheerful attitude.

Dr. Lewis and Public Information Director Chris Cihlar discuss the calendar of events with members of the SGA and Student Activities staff

Dr. Lewis recovers after being tossed into the mudpit by students during the always popular Waterfront activities

WATERFRONT WKND

THE FIRST BLAST OF THE YEAR

Waterfront Weekend is held every year, sponsored by the Student Government and Student Activities. This year's event was well-attended, and will forever be remembered as the time the students really sunk Dr. Lewis. (See picture on facing page.)

.....

Returning students here enjoy Wood's dinner at the Waterfront. This is always a welcome diversion from the dining hall, and allows for one to really take in views of the river.

Yachting Governors Cup - How Sweet It Was

The Governor's Cup, held each year on the first weekend of August, is a race of professional and amateur sailors that begins in two different locations, and ends up here at the College, in a day-long, and usually lasting into the night, party. It's a time of great fun, and one many College students partake in, despite occurring in the middle of summer.

Women's Soccer TOGETHERNESS: SOMETIMES THAT'S ALL THAT COUNTS

With only one senior, co-captain Hope Jones, to lead the pack, the Lady Seahawks worked hard to regain the magic that propelled them last year. The newest asset to the team was freshman sweeper Stephanie Karpinski, named team Most Valuable Player by her teammates. Karpinski not only added guidance to the fieldwork, but worked on the offensive end to be the team's third leading scorer behind junior Ruth Murray and sophomore Jenny Forbes.

The strength of the team lay with their support for each other and their mutual respect. Always encouraging junior co-captain Jackie Aitoro was instrumental in leading the team when the chips were down. Even in tough losses like Randolph-Macon College, 6-0, the team never lost heart and maintained the faith that they could turn things around.

In conference play, the

women won the first round by defeating Goucher. Unfortunately, in the finals against Mary Washington, the Lady Seahawks suffered 1-0 loss to capture second place in the conference.

With an overall record of 5-9, the women's soccer team is looking to continue rebuilding the program. Their support for each other remains unwavering and this support will undoubtedly catapult them back into the record books.

Men's Soccer

NOT FAR NOW: MEN'S SOCCER LOOKS AHEAD OF THIS YEAR

During the 1993-1994 season, the men's soccer team was plagued by a number of incidents that lead to the team's first disqualification from the conference tournament before the finals in as many years as the conference has existed. Problems such as injuries, the loss of all-conference goal-keeper Rob Kirk, and coaching staff difficulties offset the tremendous talent of the returning lettermen and freshman recruits. Despite all this adversity, the Seahawks had a memorable season including a tremendous game against perennial conference champions Mary Washington as well as an encouraging win against Division II powerhouse Longwood.

The largest concern of the Hawks faced was their sporadic play, which witnesses them playing admirably

against respectable teams while dropping the level of play against less competitive organizations. It was this disappointing trend of play that caused the majority of the frustration faced by the talented team. Senior co-captain Ray Grogan expressed one of the most frustrating aspects of the season as seen by the seniors: "Our biggest disappointment this year was not making the finals of the conference tournament. After three years of frustrating losses in the finals, we were hoping that this was our year."

The final record for the 93-94 squad was a disappointing 7-9, with a 5-4 record in the conference. Despite the loss of seven seniors (Captains Ray Grogan and Scott Basso, John Hogan, Nick Jones, Mark Kavanagh, Will McGeachy, and Mike Rozalski) the team, with its talented core of young players and the only returning captain, Limey Hawkins, looks forward to reclaiming its place as one of the most feared teams in the C.A.C.

Volleyball

WHAT A LONG STRANGE TRIP IT'S BEEN!!

With six returning players including starting co-captains senior Jen Tregoning and junior Leigh Kessler, a new coach, and a previous season's record of 25-4, the women's volleyball team was off to a promising start. The team faced Wilmington in their very first match. This loss could have set the tone for the whole season, but, the Lady Seahawks fought from an early 3-8 record to an overall 16-17.

Maintaining order, inspiring their teammates, and encouraging everyone to play better, the captains were the driving force behind this turnaround. Also helping to bring the Seahawks back into the swing of things were newcomers Jenni Mullendore, Kate Marks, Diana Bloom, and Tracy Morgan, the October Athlete of the Month. The returners were also strong in pulling the team back up where they belong. Sophomore Jenn Hermann led the team in digs for most of the season while sophomore setter Lisa Primavera was strong off the bench. Sophomore Jamie Powell was continuing her winning ways, when she suffered an injury early in October and missed the rest of the season.

In their last game of the season, the lady Seahawks suffered an unfortunate defeat at the hands of the Mary Washington Eagles in the first round of the conference tournament. This ended their season with a conference record of 2-4. With a new coach coming in, a lot of hard work and the newest recruits playing like veterans, it's only a matter of time before they are on top again!

Women's Basketball PLAYING THROUGH THE PAIN

Through thick and thin, the Lady Seahawk Basketball team managed to stick it together and play as a team. They improved their record to 6-15 despite turned ankles, back aches, and appendicitis.

This season got off to a better start with the women earning some early victories. The scheduling this year helped out, allowing the team to progress with confidence to the more difficult teams.

In addition, senior Jen Tregoning, out for the season with a knee injury, remained on the team as Acting Assistant Coach. This enabled the team to expand practices by splitting into groups to work on fundamental skills and allowed for a more efficient use of practice time. Tregoning's insight as a former teammate helped aid Head Coach Pam Wojnar. Sophomore center

Rebecca Vanisko stated, "I'm glad she stayed on as Acting Assistant Coach. We missed her on the court, but she was definitely an asset to the program."

Perhaps the most frustrating part of the season, was the up and down aspect of their play. Vanisko explained, "We always had one good half, but we couldn't seem to manage forty minutes of good basketball." It was an encouraging step to see more solid play from the Lady Seahawks.

As the season progressed, sophomore guard Cindy Davenport tore up the court scoring points and breaking school records. Her efforts earned her Player of the Month honors for both November and December.

In addition, point guard Cindy Leeds put together another steady consistent season which combined with the solid all around play of Katrina Overton, Elise McCubbin, Jen Speer, and Brandi Van Meter. With the contributions of freshmen Liz Westin and Gabrielle Nelson, the women finished out the season playing together as a team.

Men's Basketball

SWOOSH, THERE IT IS !!!

With a record of 14-12, the St. Mary's Men's Basketball team of 1993-1994 completed a solid season. St. Mary's finished third in the Capital Athletic Conference losing to York in the semi-finals of the conference tournament. However, the adjective "solid" belies a season filled with many spectacular performances.

In a 118-57 trouncing of Bard College, St. Mary's set several NCAA records, including: most players to make a three pointer (11) and a slew of other three pointer records.

One of the most impressive performances was a 49 point effort by junior All-Conference guard Barry Friedman. Friedman's 49 points against Marymount shattered the previous St. Mary's College record.

Although less scintillating, the consistently superior play of senior Chris Delisi paced the Seahawks. Delisi, an All-Conference selection, averaged 17.4 points per game and pulled down 6.5 rebounds per game.

This year's team was anything but short on veteran leadership. Senior center Sean Keehan contributed 17.7 ppg, a team leading 7.2 rbg, and a conference leading 69 blocks. In addition, Keehan was named to the GTE Academic All-American Third Team.

Senior Lamont Anderson displayed adept ball handling while averaging 11.6 ppg and 6.3 rpg. L.A. grabbed a team high 15 rebounds against both Western Maryland and Mary Washington and led the Seahawks in steals.

Providing senior leadership and sparking the Seahawks were Scott Ciambor and Michael Rudolph. Their example, along with the tutelage of coach Bob Valvano aided in the development of younger players such as Steve Michelotti, Mike Lind, Andy Benincasa, John Bowman, and Lewis Van Wambke, next year the Seahawks will be the team to beat.

Coach Tammy Gage.

Men's Lacrosse IT'S NOT JUST A JOB, IT'S AN ADVENTURE

With the leadership of captains Joe Bisette, Brian Carroll, Chris Gress, and Greg Matthews and under the direction of coaches Jason Hurley, Robert Gray, Scott Hahn, Dan Welch and Ken Winegrad, the Seahawks posted the second best record in the history of St. Mary's lacrosse, 9-4, and won the conference championship for the third consecutive time. This landmark year began with a loss to 6th ranked Washington and

Lee. The Seahawks walked away from this experience with two goals in mind: to not only win but convincingly beat their competition, ranked and otherwise, and to be ranked themselves.

Great moments of the season came from the veterans as well as the rookies. Sophomore attackman Dave Wenrich's overtime goal from senior midfielder Chad Fowler in the Western Maryland

game was only a part of an exhibition of good lacrosse. Freshman attackman Lawrence Lanahan's two goals surprised Mary Washington in the last home game of the season, but, not quite as much as sophomore Jim Rogalski's goal! Senior attackman Don Brennenman not only earned a spot on the first team All-Conference roster, but, scored more goals

than any other player and became the April Player of the Month for the College. Senior goalie Greg Matthews finished the season with a 60% save percentage. Four games were won by only one goal, such as West Chester, whereas in other cases, the Seahawks, by larger margins, defeated tough enemies like Swarthmore and Mary Washington.

With solid play from this year's veterans and rookies, combined with next year's recruits, the Seahawks are destined for continued success.

Baseball

THE SKY'S THE LIMIT...

THIS TEAM KNEW NO BOUNDS

While sitting alone watching the men's baseball team practice, absorbed in the ambience: a slight breeze blowing the bits of dirt and line chalk in the air, while the proverbial ball is being tossed around, one's attention is drawn away from this relaxing spectacle upon the spine cringing bellowing of Head Coach Larry Freer: "This is a drill that you will either learn to love or hate." This is nothing to be alarmed or concerned about, for this is the dominant credo and work ethic of the St. Mary's Baseball team, which last year, under a 19-13 record, gained them a spot in the history books with the most wins ever by the St. Mary's Baseball team.

It is the opinion of head coach Larry Freer that this year's team has the talent and initiative to surpass any record set in the past: "there is nothing that the St. Mary's Baseball team can't accomplish, this even mean winning the big show, the CAC championships." How can we be sure that this is true? One only needs to look at the three captains of the team: John Childers, known as Mr. Baseball, who leads the team in hitting and in its attitude and inspiration; Teddy Gill, and Gary "the Nighthawk" Thomas. With these three men guiding a very talented team, one must conclude that the only limitations for this team is the sky.

The 1994-1995 season will be Coach Freer's and Assistant Head Coach Lou Jenkins' third year. Though John Childers, Teddy Gill, and Gary Thomas will be graduating, there are many talented players on this team that are willing to step in and claim the gauntlet of leadership. With the off-season coming, Coach Freer has started his recruiting efforts as far away as New York and Massachusetts, however the Grand Lion state of Maryland is not to be discounted. It is Homer's famous quote concerning excellence that is applicable to this team: "strive to be the best, and exceed all others." With this notion inundating throughout their person, the St. Mary's Baseball team is baseball par excellence.

Men's and Women's Tennis

SERVING IT JUST RIGHT

Goals are set high this year for SMC Tennis. Both the men's and women's teams are coming off posting their best ever record at St. Mary's. They plan to improve upon that mark under the guidance of veteran coach Paul Spencer and newcomer Robin Munari.

The men's team suffers from the loss of some of last year's top players. With older players stepping into these spots, Jim Cooney, Claudio Gonzalez and Gordon Ramsey are prepared to complete the line-up. The team is led by 2nd team All CAC player and co-captain Eric White, whose serve and volley game is sure to give opponents trouble. Co-captain David Cabrera will also take a leadership role on this young team. Veterans Robert Getty and Harold Lee are adding talent to doubles and singles. Jon Anderson and Chris Delaney also add depth to the core team. The Seahawks, who finished just a half point behind 3rd place in the tournament last year, hope to improve upon this mark, and even make a run for the conference title.

The women's team is undergoing a transitional stage, losing 5 of their top 5 players. The team will be relying heavily upon returning captain Sarunya Noithai, and transfer student Phyllis Kehris, who will make an immediate impact at the #2 position. The team, although young and inexperienced, is very deep, with positions 3-6 up for grabs between Jin Chong, Meha Desai, Lisa Harter, Christina Landgraff, Jamie Poweel, Cheryl Wadhwa, Pameka Rivera, and Thinn Yee Aung. Intense team competition for positions will lead to this team's success against other schools.

Both teams are practicing hard to prepare for dual matches and bid for the conference title. Drill and practice will develop the team's confidence and consistency. These exercises will be complemented by challenge matches determining positions on the team. Add the experience gained by playing each new match and a successful season will result.

Dear Readers:

By the time that you read this note I am placing in the back of this yearbook, you will have surely found various anomalies throughout this edition of the **Dove**. There are many that I could point out to you, all stemming from one major factor: this yearbook was produced, in almost it's entirety, by myself. With the exception of the sports sections, and the pictures, the rest was designed and produced by myself.

There are many that I would like to thank for their help on this yearbook. Sports Editor **Eunice Aikins-Afful** was instrumental in gathering copy and organizing those pages. SGA Bookkeeper **Linda Hill** was maginificent in gathering the checks and processing receipts and lists that kept our files organized. Student Development Secretary **Andrea Dyson** was Advertising Manager, and helpful in dozens of other ways. Of course, nothing would be right if I didn't thank my parents, whose threat of bodily re-

moval from the house if I didn't get it done inspired me to no ends. Also, I want to thank members of the Student Affairs Staff, **Ken Holmes and Larry Kontz** , whose advice was appreciated.

My overwhelming gratitude has to go out the members of the Photo Bureau, who worked tirelessly to shoot, develop, and deliver the most of the photos in this book. Photo Bureau head **Norine Rowe** must be thanked for her advice and not-so-gentle prodding, that was more appreciated than can be realized. **Dawn Letts, Julie Ellis, and Rachel Sussman** were great for doing last minute shoots, and getting pictures to me. **Greg Coan** did some stupendous work on the big spreads in the front of the book, and was great in doing a ton of last-minute 3x5's over the summer. My thanks goes out also to all those that submitted candid - you know who you are. As befits my style, I printed as many of those that I could - they are what was important to you, so they were important to me, too.

Those of you familiar with the circumstances of how the Vice President of SGA (that was me in 1993 - 1994) ended up the editor of the yearbook will probably not understand what I am about to say. Most of the leadership of SGA during 1993-1994 committed themselves to working on this yearbbook. After careful consideration, I have determined that any help that they did give was so negligible that it was almost not there. Entire sections of this yearbook, allocated for design to other members of the Executive Board of SGA, were cut because they were never worked on by those members. Certain segments of campus life were not covered in this yearbook because people who had made real commitments decided to wimp out. The first draft of this note had me being very critical of these people, but time has tempered my anger and disappointment.

I want to make it clear to you the readers of this yearbook that I am not apologizing for any of its problems. Any mistakes are due to the fact that one person did the work; no one was around or willing to check it. Its style is what I decided I could do, at home in Gaithersburg, and far away from the photo files. I am happy about it's conclusion, and hope that, in some way, you can appreciate the hard work that went into this book.

Thank you for reading.
